25X1

19 to 21 June 1949

- 25X1 1. The two transport aircraft which formerly landed at the SCHOENEFELD (N 53/2 93) airfield every evening did not arrive on 19 and 20 June 1949. One four-engine plane of the same type as observed on 7 June 1949 landed on 21 June 1949. Quarters buildings at the airfield were still being improved.

25X1

March 1949

- 25X1 2. It was learned early in July 1949 that the Unit stationed at the SCHOENEFELD airfield, had requested a shipment of hay from the RANGSDORF (N 53/2 82) supply office in March 1949.

Comment:

- Since the exact landing times of the two transport aircraft, which previously landed at the field every night, were not stated, it cannot be determined to which airlines these planes were assigned.

- According to the description given in a previous report, the four-engine plane which landed at the field on 21 June 1949, is an IL-18. The airline flown by this type is unknown.
